The Parks participating this year have agreed on the following rules: The coach will pitch twice to the batter, then if said batter has not put the ball in play, they may then hit off of the tee ONE TIME. If said batter hits the tee, misses or does not put ball into play, the batter will be called out. Each batter will get 3 chances to put the ball into pplay. We feel that this will move the game along! If you get to aother park and they have changed the rules please let us know ASAP. Unfortunatley we can't control what happems at the other parks. All I can say is that we talked about it and agreed upon it.
